### **Statistics and profiling**

We keep statistics on the use of our website. These statistics help us to, for example, only show you information that is relevant to you. We may combine personal data to get to know more about you. We will of course respect your privacy at all times.

For this purpose, we use your IP adres. We have a legitimate interest in doing this. We store this information for three months.

### *Providing to Third Parties*

We collaborate with other organisations, that may receive your personal data.

### **Promotion**

Other than the advertisements on the website, we can inform you about new products or services:

- by mail- via social media- per phone

You can object at all times against this promotional communication. Every letter contains instructions on how to do this. On social media, you can block us or use the cancellation option. You can also inform us when we call you.

### **Publication**

We will not publish your customer data.

### **Providing Data to Third Parties**

Except for the parties mentioned above, we do not under any circumstance provide your personal data to other companies or organisations, unless we are required to do so by law (for example, when the police demands access to personal data in case of a suspected crime).

Our website features social media buttons. These buttons are used by the providers of these services to collect your personal data.

### **Cookies**

Our website makes use of cookies. Cookies are small files in which we can store information, so that you do not have to fill in that information again. We can also use them to see whether you are visiting us again.

The first time you visit our website, we will show you a notification explaining our cookies and ask for your permission for the use of these cookies.

You can disable the use of cookies through your browser setting, but some parts of our website may not work properly as a result of that.

### **Google Analytics**

We use Google Analytics to track visitors on our website and to get reports about how visitors use the website. We accepted the data processing agreement from Google. We do allow Google to use information obtained by Analytics for other Google services, and we don't anonymize the IP-adresses.

### **Security**

We take security measures to reduce misuse of and unauthorized access to personal data. We take the following measures in particular:

- We make use of secure connections (Secure Sockets Layer of SSL) to encrypt all information between you and our website when entering your personal data
