DETAILS

C001132

VREDO ZB3 Profi 7342

VREDO ZB3 Profi 7342

Serial no. 1121.384

Year of manufacture: 2021

VREDO Manure Injector Model ZB3-7342 with hose connection arm

Compensation cylinder on the arm for working on slopes

Working width 7.3 m, row spacing 17.5 cm

Vredo double discs (diameter 408 mm) with tapered roller bearings

SKF automatic central grease lubrication

Power supply required: 1 x 12V, 15A electrical connection on the machine

Automatic hydraulic valves

Robust 3-piece frame, foldable with automatic locking for transport

Distributor with horizontal position adjustment

Small, easy-to-replace plastic wear blocks Stainless steel hose clamps

Transport width 2.85 m

Weight ±3170 kg

Automatic disc protection with reflective panels for road traffic

DIN 11030 LED traffic lights

Quick-release triangle

Two HARSÖ horizontal distributor heads

Section control, hydraulic block with solenoid valves

Requires two double-acting valves and one free return 4"

Flow meter with display in the cab

Left and right running wheels

16,400 m<sup>3</sup>, 150 hours Year of manufacture 2021
