## ART.NUMBER

## DETAILS

C001133

VREDO ZB3 PROFI 8046

Vredo ZB3 8046

Year of manufacture: 2014

Working width: 8.70 m

Machine number: 1121.171

Options: support wheels, Accordbok, Completely refurbished

### Specifications:

- Working width: 8.0 meters
- Row spacing: 17.5 cm
- Vredo double disc system
- Automatic central SKF bearing lubrication and lubrication of other pivot points via grease pump mounted on the injector
- Grease reservoir 4L
- Required power supply: 1 electrical connection 12V 15A on the towing vehicle
- Automatic hydraulic shut-off set
- Horizontal Vogelsang Dosimat 50 distributor
- 3-fold folding sections with automatic locking
- Distributor levelling system
- Easily replaceable wear-resistant plastic sliding blocks
- Stainless steel hose clamps on slurry hoses and outlet nozzles
- Transport width: 2.85 meters
- Weight: approx. 3,025 kg
- Automatic disc protection for road transport with reflective elements
- LED lighting
- A-frame quick coupling
- Special angular contact bearings for disc bearing system
- 6" KKV slurry hose connection to distributor (6" male part)

### Required Hydraulics

- 3x double-acting (2x open center, 1x closed center)
