## ART.NUMBER

## DETAILS

C001134

VREDO ZB3 PROFI 8750

Vredo ZB3 PROFI 8750  
Year of manufacture: 2015  
Working width: 8.70 m  
Machine number: 1121.230  
Options: Support wheels, 38 cm discs

### Specifications:

- Working width 8.7 meters
- Transport width 2.95 meters
- Row spacing 17.5 cm
- Weight approx. 3,060 kg
- 3-section frame with automatic locking for safe road transport
- Automatic hydraulic shut-off system for the slurry outlets
- Lighting kit
- Automatic cover for reflective discs for safe transport
- SKF central bearing lubrication and lubrication of other pivot points via an automatic greasing system mounted on the slurry injector
- Required power supply: 1 electrical connection point 12V 15A on the vehicle
- Easy-to-replace wear-resistant HPME slide blocks
- Horizontal Vogelsang Dosimat 50 distributor
- Stainless steel hose clamps on the slurry hoses and rubber slurry outlets
- A-frame quick connection
- 6" KKV (male) slurry hose connection on top of the distributor

### Quick A-frame CAT 2 and 3

- Suitable for CAT 2 and 3 width dimensions
- 6 positions Ø32 for top link
- 4 positions Ø37.5 for lower linkage arms
- Suitable for CAT 3 and 4 balls

### TÜV Equipment Option ZB3

Adjustments according to German road legislation:

- Rear marking
- License plate holder including lighting

### Extra Support Wheels Type LW3200 L/R

- Extra wheels to support the slurry injector.  
This set contains two wheel kits, one for the left and one for the right side. Both supports have double wheels.
